

# Basic Scaffolding Licence

## Build a safe platform for your work

This course will teach you how to safely erect and dismantle scaffolding which complies with OHS requirements. There is a massive focus on Work Health and Safety in the construction industry and this course will ensure you are up to date with all the skills you need for basic scaffolding.

This course is designed for anyone who is currently working with scaffolding or would like to work in scaffolding, or who is in any other building or construction role where scaffolding may be required. It is ideal for anyone who requires a SafeWork (WorkCover) NSW licence for Basic Scaffolding.

# Build a safe platform for your work

## Did you know?

A report from Workcover Australia showed in the eight years from 1 July 2003 to 30 June 2011, 19 workers died due to a fall from a platform. The platforms included 5 trestles, 3 mobile scaffolds and 3 suspended scaffolds. The remaining 8 fatalities resulted from falls from some type of fixed scaffolding.

## Are there any entry requirements?

A WHS General Construction Induction card (white card). All participants must have a Unique Student Identifier (USI). To obtain yours, go to [www.usi.gov.au](http://www.usi.gov.au) and follow the prompts to create your USI.

## How much does it cost?

\$2,100.00. All fees are GST exempt.

## How is it delivered?

Blended Delivery. A mix of both online and face to face learning.

## What do I get from it?

Upon successful completion participants receive a Statement of Attendance.

## What do I need to bring?

100 points of identification, a pen, closed footwear, high visibility shirt or vest. Students are required to have access to the internet and a computer with a webcam.

## Can I get CPD points for this class?

Yes, 23 CPD points are attached to the successful completion of this course.
