Certificate III in Joinery

How will undertaking this course benefit you?

The construction industry strongly affirms that training and assessment leading to recognition of skills must be undertaken in a real or very closely simulated workplace environment and this qualification requires all units of competency to be delivered in this context.

Are there any entry requirements?

Participants must hold a current Construction Induction (White) Card and/or a Statement of Attainment for the unit of competency CPCCOHS1001A Work Safely in the Construction Industry.

All participants must have a Unique Student Identifier (USI). To obtain yours, go to www.usi.gov.au and follow the prompts to create your USI.

How is it delivered?

Blended Delivery. A mix of both online and face to face learning.

What do I get from it?

Upon successful completion participants receive a Statement of Attainment for CPC31912 Certificate III in Joinery.

What do I need to bring?

100 points of identification, a pen, high visibility shirt or vest and closed footwear. Students are required to have access to the internet and a computer with a webcam.

Email your expression of interest to info@bot.edu.au and one of the team will be in touch.
