

CPC40110 Certificate IV in Building and Construction (Building)

Become a qualified and recognised builder.

This qualification is designed to meet the needs of builders and supervisors of small to medium-sized building businesses, and those looking at furthering their career as a builder.

Occupational titles may include builder and construction manager.

This qualification is suitable for anyone currently working in a building and construction environment.

CPC40110 Certificate IV in Building and Construction (Building)

How will undertaking this course benefit you?

The qualification has core unit of competency requirements that cover common skills for the construction industry.

The construction industry strongly affirms that training and assessment leading to recognition of skills must be undertaken in a real or very closely simulated workplace environment and this qualification requires all units of competency to be delivered in this context.

Are there any entry requirements?

Participants must hold a current Construction Induction (White) Card and/or a Statement of Attainment for the unit of competency CPCCOHS1001A Work Safely in the Construction Industry.

All participants must have a Unique Student Identifier (USI). To obtain yours, go to www.usi.gov.au and follow the prompts to create your USI.

How is it delivered?

Blended Delivery. A mix of both online and face to face learning.

What do I get from it?

Upon successful completion participants receive a Statement of Attainment for CPC40110- Certificate IV in Building and Construction (Building).

Requirements

Students are required to have access to the internet and a computer with a webcam.

Email your expression of interest to info@bot.edu.au and one of the team will be in touch.
