CPC40808 Certificate IV in Swimming Pool and Spa Building

How will undertaking this course benefit you?

The qualification has core unit of competency requirements that cover common supervision and planning skills for the construction industry, as well as elective units common to a range of Certificate IV in Building and Construction qualifications.

The construction industry strongly affirms that training and assessment leading to recognition of skills must be undertaken in a real or very closely simulated workplace environment and this qualification requires all units of competency to be delivered in this context.

Are there any entry requirements?

Participants must hold a current Construction Induction (White) Card and/or a Statement of Attainment for the unit of competency CPCCOHS1001A Work Safely in the Construction Industry.

All participants must have a Unique Student Identifier (USI). To obtain yours, go to www.usi.gov.au and follow the prompts to create your USI.

How is it delivered?

Blended Delivery. A mix of both online and face to face learning.

What do I get from it?

Upon successful completion participants receive a Statement of Attainment for CPC40808- Certificate IV in Swimming Pool and Spa Building.

What do I need to bring?

100 points of identification, a pen, high visibility shirt or vest and closed footwear. Students are required to have access to the internet and a computer with a webcam.

Email your expression of interest to info@bot.edu.au and one of the team will be in touch.
