

CPC60212 Advanced Diploma of Building and Construction (Building)

Become a qualified and recognised construction manager.

Kick your management skills up a gear with the Advanced Diploma of Building and Construction (Management) (CPC60212). There's no typical day for a construction manager or builder – one day you're liaising with clients and reviewing financials, the next you're on site checking progress and managing schedules.

This nationally-recognised qualification will give you the combination of practical skills and knowledge you need to become a qualified project manager or job site supervisor on more challenging construction work.

CPC60212 Advanced Diploma of Building and Construction (Building)

How will undertaking this course benefit you?

This qualification is suitable for anyone currently working in a management capacity in a construction environment. The qualification has core unit of competency requirements that cover common skills for the construction industry.

The construction industry strongly affirms that training and assessment leading to recognition of skills must be undertaken in a real or very closely simulated workplace environment and this qualification requires all units of competency to be delivered in this context.

Are there any entry requirements?

Participants should have a minimum of four years' experience working in a relevant role, and must hold a current Construction Induction (White) Card and/or a Statement of Attainment for the unit of competency CPCCOHS1001A Work Safely in the Construction Industry.

All participants must have a Unique Student Identifier (USI). To obtain yours, go to www.usi.gov.au and follow the prompts to create your USI.

How is it delivered?

Blended Delivery. A mix of both online and face to face learning.

What do I get from it?

Upon successful completion participants receive a Statement of Attainment for CPC60212- Advanced Diploma of Building and Construction (Management).

What do I need to bring?

100 points of identification, a pen, high visibility shirt or vest and closed footwear. Students are required to have access to the internet and a computer with a webcam.

Email your expression of interest to info@bot.edu.au and one of the team will be in touch.
