

CPC30111

Certificate III in Bricklaying & Blocklaying

Quality Bricklayers are in-demand trades in the construction industry

This qualification provides a trade outcome in brick and block laying, covering work in residential and commercial applications.

This qualification provides participants with the necessary skills, knowledge and experience to work on a building site in the areas of bricklaying and blocklaying.

CPC30111 Certificate III in Bricklaying & Blocklaying

How will undertaking this course benefit you?

A Certificate III in Bricklaying and Blocklaying will open the door to one of the most in-demand crafts in the construction industry.

This is also one of the two structural trades which means that you only have to do a Cert IV in Building and Construction to apply for your builders licence.

Are there any entry requirements?

Participants should have a minimum of four years' experience working in a relevant role, and must hold a current Construction Induction (White) Card and/or a Statement of Attainment for the unit of competency CPCCOHS1001A Work Safely in the Construction Industry.

All participants must have a Unique Student Identifier (USI). To obtain yours, go to www.usi.gov.au and follow the prompts to create your USI.

How is it delivered?

Blended Delivery. A mix of both online and face to face learning.

What do I get from it?

Upon successful completion participants receive a Certificate III in Bricklaying & Blocklaying (CPC30111).

What do I need to bring?

100 points of identification, a pen, closed footwear, and a high visibility shirt or vest. Students are required to have access to the internet and a computer with a webcam.

Email your expression of interest to info@bot.edu.au and one of the team will be in touch.
